

PARCC Practice Test- Startup on Chromebook

Please follow the steps below to startup the practice test on your student's Chromebooks.

1. Students will need to log out of their student Google accounts and return to the main log in of their Chromebook. In the bottom left corner, they will click *Apps- Test Nav*

2. Once the program starts up, then you will need to click the icon in the top right corner and select *Choose a Different Customer*.

3. From the new list, in the bottom right click *PARCC Training*.

4. On the new sign in screen, you can then click *Practice Tests* in the bottom left. Here you can select the type of practice test you would like (tools tutorial or grade level tests.)
